CAREER TIMELINE

Sixty13 Web Solutions — 2017

2017 to 2019

Casepoint LLC — 2019 to Present

Narola Software

WORK EXPERIENCE

May'19 to Present: Casepoint LLC, Surat
As Sr. Frontend Web Developer

Significant Highlights:

- Spearheaded collaborative efforts by engaging in detailed discussions with **Team Leaders (TLs) and Project Managers (PM)** during Sprint planning sessions, ensuring a comprehensive understanding of project requirements.
- Applied expertise in **.NET & Agile Scrum methodology**, utilizing **Team Foundation Server (TFS),** to significantly contribute to the development of an eDiscovery product. This involvement focused on optimizing project management efficiency and ensuring timely product delivery.

- Played a key role in elevating the **eDiscovery product's functionality & user experience** by leveraging the Kendo UI library, showcasing a commitment to enhancing the overall quality of the application.
- Demonstrated commitment to inclusivity by meticulously ensuring compliance with **508 accessibility standards for the eDiscovery product**; employed jQuery to address accessibility concerns & collaborated with the team to create a more inclusive and user-friendly product for all individuals.
- Engaged in cross-functional collaboration to seamlessly **integrate 508 compliance measures into the eDiscovery product**. This dedication ensured that the product not only met stringent accessibility standards but was also user-friendly for individuals with disabilities, contributing to a more universally accessible digital environment.

Nov'17 to May'19: Narola Software, Surat
As Web Designer

Significant Highlights:

- Collaborated closely with Team Leaders (TL) and Assistant Team Leaders (ATL) to comprehensively **discuss project requirements, ensuring a clear understanding of key objectives & expectations.**
- Spearheaded the development of websites using the **Bootstrap framework**, implementing responsive design principles to guarantee an optimal user experience across various devices; proficiently **created prototypes utilizing XD, Figma & Photoshop**, and seamlessly translated them into functional web pages through HTML & CSS.
- Demonstrated adept **problem-solving and critical-thinking skills**, effectively tackling complex issues throughout the project lifecycle; this proactive approach played a crucial role in overcoming challenges and ensuring the successful & timely completion of projects, reflecting a commitment to delivering high-quality outcomes.

Feb'17 to Nov'17: Sixty13 Web Solutions, Surat
As Web Designer

Significant Highlights:

- Engaged in thorough discussions with the manager to meticulously **gather and understand project requirements, ensuring alignment with expectations & objectives**
- Orchestrated the design & development of numerous responsive, and user-friendly websites utilizing cutting-edge technologies such as **HTML5, CSS3, Less, Sass & JavaScript**; demonstrated a consistent track record of meeting or surpassing project deadlines and exceeding client expectations through a commitment to delivering high-quality digital solutions.
- Executed the **seamless transition from prototypes to fully responsive web pages**, employing a diverse skill set that includes HTML, CSS, SCSS, Bootstrap (as required) & jQuery. This involved a meticulous attention to detail & a focus on crafting web solutions that not only met technical specifications but also provided an enhanced and intuitive user experience.
